

# WPTA Webinar: Best Practices in Documentation Skilled Nursing Facility Documentation to Support Services Now and in the Future

The Office of the Inspector General (OIG) just announced that they will be reviewing compliance with various aspects of the SNF payment system, including documentation. The OIG specifically mentioned a concern for the support of therapy intensity of services. This session will address best practices for supporting therapy service delivery. As the post-acute landscape is changing it's critical for therapists to understand their value in assisting patients in achieving their necessary functional goals, and that value must be evident in your therapy medical record to support your services now and in the future.
